Declass Review by NGA

Travel~~27 Feb 70~~Comments on Eur [ ] Trip:

25X1

- I have talked with Stoertz, who is planning a similar trip about the same time, and we agree that we should travel together, aiming for the last two weeks in October.

- Ignore my scratchings on the [ ] section of the itinerary

25X1

-- I was resisting [ ] and [ ] but Stoertz has persuaded me that there could be some value in visiting those activities.

25X1

[ ]  
- Neither Stoertz nor I

desire to visit [redacted]

25X1

[redacted]

- I question the visit to Military Survey. Why?

- I should call on the DDI rep [redacted] (& COS, if he desires) before visiting [redacted]. Also, some time should be allotted at end of [redacted] visit to talk to DDI rep (& COS) if I or they desire same.

25X1

25X1

25X1

- Generally, I like the motif you present, in most cases, of limiting each day to one visit to one subject area. I do not want to be scurrying from place to place -- especially

*widely-spaced places --  
in a single day.*

25X1 - I should like to know in Sept.  
what our hosts (especially  
 would like to have  
from me.

- At an appropriate point, you  
should ask  to  
pass the word to   
that I am tripping.

- Go ahead and frame the  
itinerary in collaboration with  
Stoertz, submit same ~~me~~  
to OPDI while I am on  
vacation. I'll look it over  
when I return.
